## A Rough Skin.

not only lacks beauty, but indicates poor skin health. Also it is uncomfortable. Whether you are a man or woman, whether you care for beauty or comfort, you certainly want to get rid of that skin roughness. Particularly as a rough skin is signs cues out of ten the forerunner of Eczema, or some other form of a serious skin disease. It is your duty to yourself to get rid of it. Little's Liquid Sulphur not only eliminates the symptom (rough skin) but the cause of the symptom, no matter what it may be. Stops itching instantly.

Rhuma-Sulphur Co.  
Gentlemen: I have used your Liquid Sulphur for Eczema and Tricky Heat and it is with pleasure that I recommend it to suffering humanity, having a severe case of Eczema and after trying various remedies I was not cured, but after the first application of your Liquid Sulphur I experienced the greatest relief and am now well; and in the mean time, I used it for Prickly Heat and after one application it absolutely cured me. I can conscientiously recommend your remedies. Very truly,
